Date:

Afifah School

SCHOOL FEES POLICY

Every pupil will pay:

- Annual School Fees
- Admission Fees
- External Examination Fees
- Deposits against text books
- Educational Trips

GOOD PRACTICE

- As an independent school, every pupil has to pay the annual school fees (as decided by the Board of Trustees in April for the forthcoming academic year). Instalment and standing order facilities are available.
- School Fees will be paid over 10 months (Sept – June) and by the 8th day of each month. If this is not possible, the parent/guardian must inform the office and pay by the 15th day of the month. If the monthly fees are not paid by the 15th of the month, the parent/guardian must discuss the matter with the Head Teacher. Otherwise, the school office will escalate the matter to the appointed Trustee.
- For every new admission there will be an Admission Fee and Deposit charged (payable before the student's first day at school).
- Year 11 students will pay the full annual fees, even though they will leave school in June.
- In addition to this, the school levies charges for books purchased, deposits for books that are hired for the year (50% of which is returned at the end of the year) and equipment's provided in connection with the National Curriculum.
- The school levies charge for external examinations entry, which goes to the respected awarding bodies. In addition to this, there will be a minimum charge of £30 per student per annum for the administration work.
- The school requests voluntary contributions from parents for activities in school time for which compulsory charges cannot be levied (Tuck Days).
- The school seeks payment (on an old-for -new basis) from parents for damage or loss of school property caused wilfully or recklessly by their children.
- All fees will be subject to annual review.
- Any changes in fees will be communicated to parents at least three months before the change is implemented.
- Office staff will not accept cash payments from September 2021.
