- What is volume?
- Compare volume
- Estimate volume
- Estimate capacity

SCIENCE

Block	Key National Curriculum Science Objectives
<p data-bbox="193 282 347 315">Summer 1</p> <p data-bbox="220 360 320 394">Forces</p>	<ul data-bbox="533 282 1465 434" style="list-style-type: none">➤ Identification of gravity, friction, air and water resistance➤ Investigations exploring how forces work in the real world➤ Understand how mechanisms such as pulleys, levers and gears work
<p data-bbox="193 822 347 855">Summer 2</p> <p data-bbox="137 949 408 983">Famous Scientists</p>	<ul data-bbox="533 889 1465 1133" style="list-style-type: none">➤ Learning about Leonardo da Vinci, David Attenborough, Margaret Hamilton, Neil deGrasse Tyson, Eva Crane and Stephanie Kwolek.➤ Discoveries and inventions such as development of the software that took Apollo 11 to the Moon,➤ The classification of Pluto as a dwarf planet.

Art

The Seaside

The children will learn how to use pen and colour, how to print, weave and make lanterns to create quality artwork that shows progression in skills. The children will also have the opportunity to explore the work of 'The Seaside' artists Alfred Wallis and Hokusai.

Humanities

History: World War 2

We will learn about:

- When the war started
- Some of the countries and key individuals involved
- Recall some details about key events
- Describe what evacuation and rationing were
- Explain how they worked and how different people were affected
- Describe some of the jobs women did during the war
- Describe what the Holocaust was and who suffered as a result

Religious Studies

Commitment

- Define what 'commitment' means;
- consider why someone may wish to make a commitment;
- Give an example of a religious and a non-religious commitment;
- Make a commitment of their own; • know what is meant by 'coming of age';
- Know what is meant by 'sacrifice';
- Give an example of a sacrifice that someone may make; • know what is meant by 'fasting';
- Recognise that fasting shows commitment;
- Recognise that marriage is a form of commitment; • recognise the importance of commitment;
- Comment on their own commitment.

PE

During the summer term, we will be learning about and playing:

- Dodgeball
- Games
- Creating P.E displays

ICT

During the summer term, we will be learning about:

- 3D models
- Creating ICT games

Quraan

- Madd ewad
- Mad Arid
- Rules of tanween and noon sakin
- Iqlab
- Rules of meem sakin
- Silent letters
- Revision on memorise surahs
- More practice on reading depending on ability

Islamic Studies

- The night journey and Ascension
- Pledge of Aqabah
- Abu Bakr (ra) acceptance of islaam and Khilaafah

Arabic

- Differentiating between sentences which start with verb from those which start with nouns.
- General conversation topics
- Writing short sentences and paragraphs.
- Revisiting previous topics (Tenses & Time)

Homework

Homework

We will be sending out all homework on a Thursday. Spelling lists to be revised for the spelling test. Please make sure all their homework is returned for marking by Tuesday. Please listen to your child read and note down the reading your child does at home each day in their diary.

Reading Homework

Please hear your child read at least twice a week; this to be recorded formally in the reading record book. The children should also continue to learn their weekly spellings.

Useful questions to ask whilst hearing your child read:

- What do you like best about the book you are reading?
- What do you think will happen next in the book?
- How is the setting described? • What words did the author use to describe the characters?

Additional Information

PE Kit: Please ensure that your child has their full PE kit in school every week, for both indoor and outdoor activities. Kit needs to be kept in proper Games kit bags (no plastic bags, please). It is important that all children are wearing the correct uniform kit. It does impact your child's learning when they do not have the correct clothing. Please ensure your child has a water bottle.
